CUSTOMIZED BOUTIQUE FASHION BRAND

Redefining Ethnic & Fusion Wear for Modern Professionals

Presented by: Gnaneshwari Mahimaluru | PGDM-BA | Roll No: PGBA25002

The Problem

Affordable customized fashion with fast delivery and modern ethnic + fusion styles is hard to find.

Our Solution

Personalized boutique designs, digital styling consultation, trend-based collections, fast delivery, and online ordering.

Products & Services

Designer sarees, fusion wear, fully customized outfits, professional styling packages, online boutique platform.

Target Market

Urban women (20–40), working professionals in metro cities, fashion-conscious online shoppers seeking personalization.

Market Opportunity

Rising demand for personalized fashion and online retail in the boutique industry.

Revenue Model

Direct sales, customization fees, premium styling packages, online boutique store.

5-Year Growth Strategy

Expand fusion wear, build strong digital brand, influencer collaborations, open a flagship store in a metro city.

Funding Ask

■50 Lakhs for 10% equity | Expected revenue: ■5 Crores in 5 years.

Use of Funds

40% Inventory & Production | 25% Marketing & Branding | 20% Technology Platform | 15% Store Setup

Exit Strategy

Acquisition by fashion brands/e-commerce platforms or IPO on national scale.
