Post Graduate Diploma in Management (PGDM)

The School of Innovation and Management (SoIM) has been established to achieve the following Vision:

"To be a premier management school empowering women to be independent, innovative, and socially responsible leaders".

The SoIM aspires to be India's best business school empowering women through management education, innovation & entrepreneurship. SoIM is part of the G. Pulla Reddy Charities Trust, founded by Late Sri G. Pulla Reddy Garu, an eminent businessman with a marked vision and commitment towards a noble cause. The trust consists of other reputed institutes such as G. Narayanamma Institute of Technology and Science (GNITS) for women (named after his wife Late Smt. G. Narayanamma Garu).

SoIM delivers Top-tier Management education, approved by the prestigious All India Council for Technical Education (AICTE). The programmes offered are PGDM in Business Analytics, PGDM in Financial Services, and PGDM in General as full-time Post-Graduate Degrees, aimed to create a strong profile to bring the next best in the student's career. The programme is a package of a rigorous curriculum, international learning, corporate exposure, and is entrepreneurial-driven.

PGDM (BA, FS, and General) Programme Highlights

- 55% of Courses are Analytics Hands- on (PGDM Business Analytics)
- 75% of Courses are Finance Domain (PGDM Financial Services)
- 30% of Courses are Analytics Hands- on (PGDM General)
- Capstone Projects
- Courses by Corporate Practitioners
- Certification Courses (Microsoft Excel/Power BI/ Bloomberg/ NISM/ Python / PMI, etc.,)
- Corporate Live projects with Internship opportunities
- Finance database for real-time analysis with Certifications
- Taught by domain-leading Experts
- International Faculty
- International Student Exchange
- Global Immersion Program

PGDM (General) Program Architecture 2025-2027

The Program Architecture consists of program requisites, summary of credit distribution, allocation of courses and relevant Certifications to be offered/delivered across all trimesters. They are presented in the following manner:

I. Program Requisites

The program requisites consist of the following:

II. Summary of Credit Distribution

A sum of 108 credits is equally distributed i.e. 3 credits per course among all the courses. Further, the distribution is based on credits for classroom subjects across six trimesters (108 Credits) and credits for the Summer Internship Project (SIP) (6 Credits) and Graduation (Dissertation) Project (6 Credits).

Particulars	No. of Classroom Subjects	No. of Credits
Trimester I:	**7**	**21**
(7 classroom subjects × 3 credits per subject)		
Trimester II:	**7**	**21**
(7 classroom subjects × 3 credits per subject)		
Trimester III:	**6**	**18**
(6 classroom subjects × 3 credits per subject)		
Trimester IV:	**7**	**21**
(7 classroom subjects × 3 credits per subject)		
Trimester V:	**6**	**18**
(6 classroom subjects × 3 credits per subject)		
Trimester VI:	**3**	**9**
(3 classroom subjects × 3 credits per subject)		
Total Subjects/Courses and Credits	**36**	**108**
Summer Internship		**6**
Graduation Project (Project Thesis + Presentation)		**6**
Total Program Credits		**120**

Each course will be delivered in 20 sessions of 1.5 hours each (90 minutes).

III. Trimester wise Allocation of Courses
